

Ferrari/Maserati New England Dealership Showroom

This top of the line dealership demanded perfect curves to match the precision and styling of their cars...

Duraframe Solutions prefabricated the framing for the ceiling soffits allowing for clean efficient installation.

PREFABRICATED INTERIOR SOFFITS

Ferrari/Maserati New England

A Boston contractor installed and finished the soffits and commented that "...if they were to do it again they would do it exactly the same way."

"The Only Limitation Is Your Imagination"

***Prefabricated Soffits... A must for your next project.
